The Whole Inhabited Earth in the Season of Creation 2022

We are now in the Season of Creation, an ecumenical movement which will last September 1 - October 4. The symbol selected for this year is the burning bush - a holy fire that neither consumes nor destroys. Resources to aid your reflection and action in this season can be found below. The 10:30 Catholic Community has disseminated *A Season of Creation Calendar* with suggested actions and reflections for this time period and it can be viewed on the last page of the Open Letter.

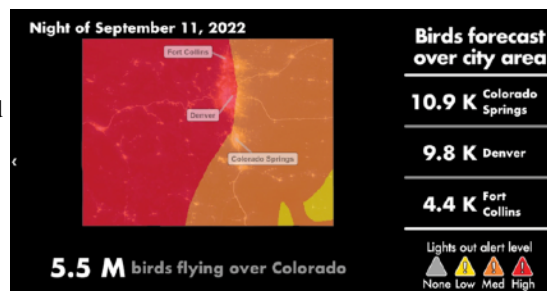

- **Season of Creation Week 1 Reflection from Creation Justice Ministries:** Welcome to the Season of Creation! This season is an opportunity to deepen our understanding and connection to our sacred created world. Our theme for the Season of Creation is "Sacred Lands, Sacred Waters," exploring what it means to truly see God's creation as *sacred*. This week, our framing of "Sacred Lands, Sacred Waters" comes from Creation Justice Ministries' Co-Executive Directors Karyn Bigelow and Avery Davis Lamb:

"Remove the sandals from your feet, for the place where you are standing is holy ground."
(Exodus 3:5)

"When was the last time you felt you were standing on holy ground? Perhaps it was in your garden, feet planted alongside Kale and Squash. Maybe it was at the beach for summer vacation, feet sinking into the sand as the water washes over them. Wherever it was, go there right now in your mind's eye and try to feel what you felt in that moment. Feel the presence of God in that thin place where heaven and earth nearly touch.

The lands and waters of this world are sacred places. We know it when we rest in them and we know it from our sacred texts. As Christians, to see the world as creation is to see the world as sacred..." [Read the full Reflection HERE.](#)

- **Action opportunity with Creation Justice Ministries:** The San Carlos Apache Tribe are fighting to save their sacred land Chi'chil Bildagoteel — loosely translated in English as "Oak Flat" — from a copper mine. Ask your members of Congress to protect sacred Indigenous land by [passing the Save Oak Flat Act!](#) After you take action, join in a prayer of solidarity with the San Carlos Apache: *"Creator, we pray for justice and protection for the San Carlos Apache and the sacred place Chi'chil Bildagoteel. Together, with the San Carlos Apache we pray, "One drum. One prayer. One circle."*
- **Thursday, September 29, 4:00 PM MDT Sacred Sanctuaries: Resilience in God's Marine Creation:** On the 50th anniversary of the National Marine Sanctuaries Act, join Creation Justice Ministries to learn about the role marine sanctuaries can play in building resilience for God's planet and people. [REGISTER HERE.](#)
- **Thursday, October 20, 11:30 AM MDT Environmental Justice Is Racial Justice - Faith Communities Respond:** Across our country and our world, communities of color are impacted first and worst by pollution and climate-driven disasters, and among the strongest advocates for change. Learn how your faith community can stand with them with insights from a panel of leaders on the front lines of environmental justice. Event hosted by Creation Justice Ministries, The Alliance of Baptists, and others. [LEARN MORE HERE.](#)
- **Fall Migration is underway!** There are already millions of birds over Colorado each night. Check out [BirdCast Migration Dashboard](#) from eBird to see the varieties and numbers of flyers passing through your State. You can take the next step and keep informed on when "lights out" alerts are in effect in your area to reduce outdoor lighting during peak migration nights. 1972 - 2022 Celebrating 50 Years of Diversity at 1100 Fillmore

This October will mark the **50th Anniversary** of when the 10:30 Catholic Community joined Capitol Heights Presbyterian Church in sharing worship space in our beloved church building. From welcoming immigrants, making lunches for the homeless, providing shelter and hospitality to neighbors, to surrounding our **Nation's Capital city with a ribbon of peace**, these past 50 years have been rich, varied, and blessed and we have truly come to see that diversity is not a threat, but a celebration!

Mark your calendars for **October 2, 2022** at 11:00 AM when we will have a joint Ecumenical Worship Service celebrating our 50 years of Unity in Diversity!

Colorado State Historic Grant Matching Funds

The restoration work on the West Façade is underway with architectural drawing and paperwork being prepared by our grant manager **Shannon Stage** of Historic Denver, and our architect **Natalie Lord**. The team also includes **Jonas Landes & Graham Johnson of Spectrum General Contractors**; & **Jane & Phil Watkins of Watkins Stained Glass**. Debbie Yeager is representing the Church and signing on our behalf on all the necessary forms.

The current work is made possible by a grant from the Colorado State Historic Society with matching funds coming from your generous donations - thank you!

The Historic Building Fund will remain OPEN and donations can be directed to it at any time to support further restoration work of our beloved building.

Children's Ministry

For younger children & families: Check out some stories and prayers that we have made available **online HERE**.

In many ways every child is born a scientist—exploring their world, leading small experiments, asking questions, searching for answers. Audubon for Kids is tapping into that innate curiosity with their Audubon for Kids webpage. The goal of the activities isn't to teach a child how to name and identify a bird, but rather to give them space to explore and connect to the natural world. **Check it out HERE**.

We are part of an old tradition, made new with each person who comes to us. We witness to a greatness that transcends what we now say, know, or do, but is graciously made present in acts of kindness, hope and peace. News from Presbytery & other Partner Organizations

- **Tuesday, September 13, 10:00 AM MDT Presbyterian Peace Fellowship "Riding the Waves of Change" - General Assembly next steps:** Sometimes it can be hard to feel the ripple effect in our congregations and the broader world after decisions are made at General Assembly. The reality is organizing for peace happens in the many days and months between our national gatherings. This year, the PC(USA) voted to divest from five fossil fuel companies, endorse a decade to end gun violence and encourage congregations to join the Guns to Gardens movement, continued their commitment in the fight to end cash bail, and made several statements regarding peace in the international community including Ukraine, Korea, and Palestine. Now it's time for us to connect these important decisions to the people in the pews! Join us for a conversation with PPF leaders to hear more about how you can take action. **Find us live HERE**.
- **From the PC(USA) Compassion, Peace, & Justice Ministry:** During the Season of Peace, which began Sept. 4, the Presbyterian Peacemaking Program is encouraging Presbyterians to consider how they can promote peace, not only in their communities but around the globe. SEASON OF CREATION

INVITATION TO JOIN SEASON OF CREATION 2022

The Season of Creation is the annual Christian celebration to listen and respond together to the cry of Creation: the ecumenical family around the world unites to pray and protect our common home, the Oikos of God.

The Season "Celebration" begins 1 September, the World Day of Prayer for the Care of Creation, and ends 4 October, the Feast of St. Francis of Assisi, the patron saint of ecology beloved by many Christian denominations.

Following the Week of Prayer for Christian Unity, we begin the Season of Creation "Preparation" to reach local leaders and call our communities to participate actively by raising awareness of the theme, and how to respond to the cry of creation where the Lord calls us in our diverse contexts.

The Psalmist declares, "The heavens are telling the glory of God; and the firmament proclaims God's handiwork. Day to day pours forth speech, and night to night declares knowledge their voice is not heard; yet their voice goes out through all the Earth, and their words to the end of the world." (19: 1-4) Creation never ceases to proclaim, but do we listen?

During the Season of Creation, our common prayer and action can help us listen for the voices of those who are silenced. In prayer we lament the individuals, communities, species, and ecosystems who are lost, and those whose livelihoods are threatened by habitat loss and climate change. In prayer we center the cry of the Earth and the cry of the poor.

Listening to the voice of creation offers members of the Christian family a rich entry point for interfaith and interdisciplinary dialogue and practice. By listening to the voice of all creation, humans from all cultures and sectors of life can be joined in our vocation to care for our common home (oikos).

May this 2022 Season of Creation renew our ecumenical unity! And may this season of prayer and action be a time to Listen to the Voice of Creation, so that our lives in words and deeds proclaim good news for all the Earth!

2022 THEME

This year we will unite around the theme, "Listen to the Voice of Creation."

During the COVID-19 pandemic, many have become familiar with the concept of being muted in conversations. Many voices are muted in public discourse around climate change and the ethics of Earth-keeping. These are voices of those who suffer the impacts of climate change. These are voices of people who hold generational wisdom about how to live gratefully within the limits of the land. These are voices of a diminishing diversity of more-than-human species. It is the voice of the Earth. The 2022 Season of Creation theme raises awareness of our need to listen to the voice of creation.

The 2022 Symbol:

"I have heard their cry...I know their sufferings...Come, now! I will send you... i will be with you" (Ex 3, 1-12)

Listen to the Voice of creation
SEASON OF CREATION 2022

The Burning Bush
Ex 3, 1-12

The burning bush is the Symbol for the Season of Creation 2022. We invite you to use the symbol of a burning bush during your events. Today, the prevalence of unnatural fires are a sign of the devastating effects that climate change has on the most vulnerable of our planet. Creation cries out as forests crackle, animals flee, and people are forced to migrate due to the fires of injustice that we have caused. On the contrary, the fire that called to Moses as he tended the flock on Mt. Horeb did not consume or destroy the bush. This flame of the Spirit revealed God's presence. This holy fire affirmed that God heard the cries of all who suffered, and promised to be with us as we followed in faith to our deliverance from injustice. In this Season of Creation, this symbol of God's Spirit calls us to listen to the voice of creation, and faithfully respond through worship, repentance and action. As you celebrate this Season of Creation, light candles, light the Easter fire, adorn a bush in your place of worship or action. And may this symbol remind us to take off our sandals, contemplate our connection to holy ground, listen for the voice of creation, and be filled with hope to quench the fires of injustice with the light of God's healing love that sustains our common home.

Join Season of Creation:

We hope that this Season of Creation renews and unites us by the one Baptism and call to care for our common home.

We invite you to schedule your own participation in the Season. As a first step, go to SeasonOfCreation.org. You will find the **Faith Leaders' Letter** inviting us to join the Season, the **Theme presentation**, and, later in May the official **Season of Creation Celebration Guide** with a wide range of resources (to be translated into various languages).

Individuals and communities are invited to participate through prayer, sustainability projects, and advocacy:

- Prayer:** Host an ecumenical prayer service that unites all Christians to care for our common home, journey together in Creation or in places affected by climate change and biodiversity loss, liturgical moments to listen from the Book of Lord and the Book of Creation
- Sustainability:** Lead a public awareness event reaching a wider public of people with the good news that each of us can bring its contribution.
- Advocacy:** Raise your voice for climate justice by participating or joining an ongoing campaign, such as the movement to divest from fossil fuels.

See [HERE](#) for concrete proposals to participate through prayer, sustainability projects, advocacy.

As an unstoppable wave, Christians from all over the world will witness to listen and respond together to the cry of creation and as we care for our common home (oikos), each initiative will be an essential piece of the mosaic that only together we could create.
