Capitol Heights Presbyterian Church

We are part of an old tradition, made new with each person who comes to us. We witness to a greatness that transcends what we now say, know, or do, but is graciously made present in acts of kindness, hope and peace. We are called to be a community of such hope for the sake of the God of all, and we delight in all who choose to join us.

- **Sunday, May 21 & 28, 9:30 AM Service, 11:00 AM Dialogue:** All are welcome to join us in worship in the sanctuary (or on zoom) at 9:30 AM for our service in the Easter Season on May 21 and on Pentecost Sunday, May 28th. At 11:00 AM the adult dialogue will take place in the basement lounge/zoom. Our dialogue on neuro-diversity led by Jen Wood has been POSTPONED until May 28th as Jen has a conflict with the original date. Instead, our dialogue on May 21 will feature a discussion on the Biblical tradition of Pentecost. We will also give some attention to the witness of Dr. Randy Woodley and his book, *Shalom and the Community of Creation: An Indigenous Vision*. We hope you can attend!

10:30 Catholic Community

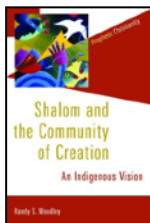

We are a Christ-centered, Spirit-directed Catholic worshipping community. In response to the teachings of Vatican II, we come together, searching for ways to reflect the person and work of Jesus Christ in our time, to our world.

- **Notice: Our next 10:30 Community General Membership Meeting** will be on May 21 following mass. Please join in for this important community assembly.
- **Network Catholic Social Justice Lobby in Washington, DC**, is calling on interested Catholics (and any others!) to join their lobbying efforts on behalf of our lower-income brothers and sisters from now until Pentecost (end of May). Network is offering a "toolkit" to speak out to your Congresspersons or to write Letters to the Editor. Use this link to make your voice heard: <https://networklobby.org/thriving-communities/>
- **COVID Safety Protocol:** Council requests that members who test positive for COVID and attended mass (or another 10:30 community function) at a time when they may have been infectious to pass that information along to the Chair so that other members can be informed and supported.

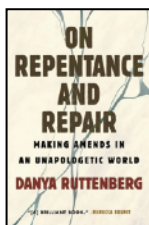

Community Bookshelf
*A highlight of theological books
 being read in the community*

Shalom and the Community of Creation: An Indigenous Vision - Materialism. Greed. Loneliness. A manic pace. Abuse of the natural world. Inequality. Injustice. War. The endemic problems facing America today are staggering. We need change and restoration. But where to begin? In *Shalom and the Community of Creation* Randy Woodley offers an answer: learn more about the Native American 'Harmony Way, a concept that closely parallels biblical shalom. Doing so can bring reconciliation between Euro-Westerners and indigenous peoples, a new connectedness with the Creator and creation, an end to imperial warfare, the ability to live in the moment, justice, restoration -- and a more biblically authentic spirituality. Rooted in redemptive correction, this book calls for true partnership through the co-creation of new theological systems that foster wholeness and peace.

On Repentance and Repair: Making Amends in an Unapologetic World - Winner of the National Jewish Book Awards in Contemporary Jewish Life & Practice Myra H. Kraft Memorial Award. A crucial new lens on repentance, atonement, forgiveness, and repair from harm... Rooted in traditional Jewish concepts while doggedly accessible and available to people from any, or no, religious background, *On Repentance and Repair* is a book for anyone who cares about creating a country and culture that is more whole than the one in which we live, and for anyone who has been hurt or who is struggling to take responsibility for their mistakes.

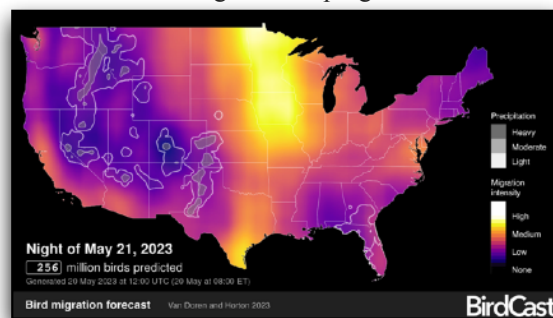

Dietrich Bonhoeffer Works - Reader's Edition Set - A classic, eminently thoughtful exposition of what it means to follow Christ---and lead his people---in a fallen and hostile world. Featuring new introductions from noted scholars, these modern editions have been adapted to a more accessible format using the acclaimed DBWE translation. Includes Discipleship, Life Together, Ethics, and Letters and Papers from Prison. 1300 pages total, four softcovers from Fortress.

- **Tuesdays, 7:00 PM, Anonymous Recovery Meditation at 1100 Fillmore Street:** The White Forest Sangha, a Zen Buddhist practice community, welcomes persons in recovery from substance abuse to come and experience silent meditation in our zendo - a safe, quiet space designed for meditation and silent contemplation. The meeting begins at 7pm with a short introduction followed by 30 minutes of silent meditation and then fellowship until we adjourn around 8pm. The Tuesday gatherings are open to anyone who is either in recovery or simply wishes to experience meditation in a zendo. It is suggested that you wear loose clothing. If you are interested in joining us, please call or text Jeffrey @ 303.257.0492.
- **June 4, 11:00 AM:** The 10:30 Catholic Community and Capitol Heights Presbyterian Church invite you to our second hybrid Ecumenical Service of the year. - **8:30 - 11:30 AM every Second Monday: Catholic Worker Soup Kitchen** is preparing casseroles for Haven of Hope Shelter and lunches for the Safe Outdoor Space (tent community) at 2nd and Federal, on Monday mornings at Denver Inner City Parish. (So especially appreciate help on those days.) 8:30-11:30ish; 1216 Mariposa. **Questions? Pat Iyer - 469-767-0491**
- **Volunteer Breakfast & Lunch SIGN UP March - May:** The Women's Homelessness Initiative (WHI) and Capitol Hill United Ministries (CHUM) is offering the opportunity for you to provide breakfasts and lunches to support eight agencies that serve the unhoused in our community. There are still open slots in the rest of March and throughout April. **Click to sign up!**
- **Spring Bird Migration is in full swing** and is expected to peak during the first two weeks in May. It's fun to see "live" (at night) and "last-night" (the next day) radar data on migration at the **BirdCast Migration Dashboard**. Every year, 3.5 to 4 billions birds migrate and 80% of them migrate at night! In addition to enjoying seeing the birds in flight on the Migration Dashboard and enjoying the new voices joining the “Dawn Chorus” upon their arrival, there are two simple steps we can all take to help out our avian neighbors: (1) **Shield** outdoor lights to prevent light from being emitted upwards. (2) **Turn off lights** as early as possible during bird migration seasons (April-May and August-September).
